October 13, 2023, Dolgeville, NY – The Local Planning Committee (LPC) for the Dolgeville New York Forward (NYF) program will hold its fifth meeting on **Wednesday, October 18, 2023**, from **4:30-6:30 pm** at the Basset Health Care Center Community Room, Dolgeville, NY 13329. The meeting is open to observers from the public, with an opportunity for public comment at the end of the meeting.

The agenda for this meeting includes a summary of public engagement results, an evaluation of each of the potential priority projects, and the final priority project selection by the members of the LPC.

The Local Planning Committee (LPC) is co-chaired by Mayor Mary Puznowski and REDC Member Dr. Renee Shevat and consists of thirteen other members representing a diverse cross-section of the Dolgeville community.

The Village of Dolgeville was selected by the Mohawk Valley Regional Economic Development Council (REDC) to receive a \$2.25 million award from New York State Governor Kathy Hochul through the NY Forward (NYF) program. Investment from this program will allow Dolgeville to develop a Strategic Investment Plan and implement key catalytic projects to advance a community vision for downtown improvements. Projects selected for funding will transform the community and support a vibrant local economy. More information can be found at: <https://www.villageofdolgeville.org/ny-forward-1>

NY Forward was launched in 2022 to support a more equitable downtown recovery for New York's smaller communities, with a focus on hamlets, villages, and neighborhood-scale commercial centers. NY Forward is led by the New York State Department of State, in close partnership with Empire State Development, NYS Homes and Community Renewal, and the New York State Energy Research and Development Authority.
