4/19/21

April 2021

Current Open Projects

Route 29A Water Line Project

- Reimbursement for this project has been received and the project is now closed.

NYSDOH Disinfection Byproducts

- Neal and I are continuing to work on a pilot program for the WTP. Currently in the process of sizing pumps and equipment to present to NYSDOH.

Halloween Flood Event (404 Mitigation Program)

- Additional information for the application was requested by DHSES and the response was compiled and submitted on 4/13.

Halloween Flood Event (FEMA)

- Participated in various team meetings throughout the month.
- Generated maintenance letters for each active project.
- All projects have been sent to FEMA's Consolidated Resource Center (CRC) for final review.
- There is still a possibility that a project to protect the WWTP might materialize from FEMA.

DEC Mohawk River Watershed Grants – Round 5

- Waiting on 404 Program to continue work under this grant.

North Main Street Odor Issues

- Waiting on FEMA project determinations to evaluate the work the Village can complete on this remediation project.
