ATTENDEES: Mary Puznowski, Jenny Armstrong, Donna DeLucco, Christine Reynolds, Marilyn Williams

The meeting was called to order at 6:00 p.m. by Mary Puznowski after the Pledge of Allegiance.

Under discussion was the proposed AT&T cell tower. After review of the documents provided by AT&T, the Board realized that it does not have much of a choice but to approve. The proposal will then go to the Zoning Board for site variance. Let it be noted that as a common courtesy to the Village, AT&T should have come before the Board to present the proposal. Providing paperwork was the best they would do. Marilyn Williams motioned to approve. It was seconded by Donna DeLucco. Ayes all. Mary will advise AT&T of the approval.

Of the approximate 850 surveys sent to village residents, 193 were returned. Christine is compiling the information and recording all comments for each element on the survey. The Planning Board will meet on Wednesday, October 16 to review and prioritize the top three. The agenda for the two community meetings will be decided. The community meetings are schedule for October 22 at 6:30 p.m. and November 7 at 7:00 p.m. at the Auskerada Place. The Village Clerk will be requested to put a notice of the community meetings in the paper.

Motion to adjourn the meeting at 6:20 p.m. by Mary. Seconded by Chris. Ayes All.
