ATTN: DOLGEVILLE VILLAGE BOARD  
RE: MONTHLY REPORT NOVEMBER 16, 2023 to JANUARY 11, 2024

1. PERMIT COMPLIANCE FOR OCTOBER AND NOVEMBER 2023

No permit violations to report.

2. MAINTENANCE

- Normal Preventive Maintenance
- Grit washer screw conveyor replacement (Complete)
- Reinstalled door on Trickling Filter
- Prepping belt filter press room floor for refinishing

3. PESH INSPECTION – (Update) WWTP was inspected by DOL on March 21, 2023 and received a notice of violation on September 29, 2023. An extension application was filed and approved to move the deadline for fall protection compliance near the waste gas burner out to June 1, 2024. Barton & Loguidice is designing a fall protection system for accessing the upper portions of the waste gas burner during maintenance activities.

4. TRAINING

- Operator Trainee is attending SUNY Morrisville this week (1/8-1/11) to complete the Activated Sludge course, the second of 3 courses he must successfully pass prior to applying to take his NYSDEC Grade 2A certification exam.
- WWTP staff attended a full-day, hands-on Confined Space training course on Dec. 12, 2023.

5. COMPLAINT – Lighting has been adjusted as much as it can be.

6. ELM ST. SEWER REPAIR – (Complete)
