Re: March 2018 Monthly Report

Current Work:

- Plowing and snow removal bulk of time spent this month again
- Sewer main break at intersection of S. Main St and VanBuren St
- Exploratory dig at Chlorination Building to determine what was in place from 1945 project
- Camera 5 Fink St lateral leading to eventual lateral replacement
- Repair major water leak near 4 Schuyler St
- Repair broken sewer main near 4 Schuyler St
- Assist WWTP in hauling to landfill
- **Loader replacement should still be considered**
