Re: May 2018 Monthly Report

Current Work:

- Green waste in full swing
 - First week took 3 days to complete
 - Following weeks have been taking 2 days
- Working on patching entryway to youth center
- Installed new exit signs in youth center upon state inspection recommendations
- Turned on water and installed waste pump at Little League Field
- Sewer Jet Sullivan St Sewer Main
- Completed playground install
- Installed new ceiling in Pavilion Kitchen
- Flags and Flowers on Main St
- **Loader replacement should still be considered**

Respectfully Submitted
