Re: April 2021 Monthly Report

Current work from the middle of March to the middle of April:

- **Roads**
 - Getting ready for the 2021 paving season. Just received the County bids.
 - Plowing snow and salting all village roads during and after winter storm events.
 - Filling in potholes with cold patch as they open up in the village roads.
 - Contacting the NYSDOT about potholes on Main Street / Helmer Avenue and or any other issues on the state road thru the village.
 - Fixing any damage caused by village plow trucks from the winter plowing season. That includes properties and roads.
 - Working on sweeping entire village roads to remove, sand, salt, debris and garbage collected over the winter season.
 - Removed construction barrels off of west state street sidewalk for no snowmobiles or atv's on sidewalks.
- **Storm Sewer**
 - Cleaning off village catch basin grates of snow & ice / sticks and garbage and fixed two catch basin grates.
- **Sewer**
 - Normal weekly / monthly checks.
 - Flushed the sewer line the entire length of winton lane. Flushed the sewer line between spofford square and howard street. Flushed east state street / dolge ave ext. sewer. Flushed sewer east faville ave from south main to howard street. Flushed sewer Helmer ave from cramer lane to baker street.

- **Center Park / Pavilion Grant / All Parks**
 - Cleaning of debris, garbage and green waste in all village parks that collected during the winter months.
 - Center Park / Playground picking up garbage that kids are throwing around the playground over the weekends.
 - Fixed the playground equipment of loose bolts and cables.
- **Signs**
 - Checking Village signs throughout the Village that got damaged during the winter snow events.
 - 15 minute parking south main street.
- **Water**
 - Digging on East Timmerman Street to locate old water valve.
 - Getting ready for water repairs within the next month.
 - Cleaning water valve boxes in village streets.
 - Fixing curb boxes that were damaged during the winter months.
 - 811 mark outs.
- **Greenway Trail**
 - Put concrete barriers up at the entrances on Spencer Street, West State Street and South Main Street where snowmobiles, atv's, dirt bikes, vehicles and any other motorized vehicles have been using.
- **WTP**
 - Flushed Fire Hydrant at the end of East Timmerman Street.
- **WWTP**
 - Helping with spring cleaning.
 - Marking long spoons and painting them.
- **Village Hall**
 - Spring cleanup, fixed lawn and picked up garbage from the winter season.
- **Village Codes Officer**
 - 98 North Helmer Ave Building Demolition.
 - Village buildings.
 - North Main street where flooded.

- **Village Engineer**
 - Working on 2021 Paving.
 - Working with FEMA on North Main Street and Fink Creek.
 - Working on the culverts that throughout the Village.
 - Working on figuring out sidewalk on cline street from spencer street to Beaver Street.
- **Old Library**
 - Spring cleanup, fixed lawn and picked up garbage from the winter season.
- **Museum**
 - Spring cleanup, fixed lawn and picked up garbage from the winter season.
 - Turned water on and the Hot water heater.
- **Green Waste Pick Up**
 - We have been picking up green waste on Mondays.
 - Picking up tree branches that are in the road that are knocked down during storm events.
 - Residents are and can call for trucks for green waste removal.
- **Hilltop**
 - Pushing back green waste that we have collected from Village Streets and Village properties.
- **Garage**
 - 1997 Ford Johnstown sweeper fixed. Flushed diesel out of motor and installed new fuel filter. Replaced solenoid for fuel shutoff.
 - 2007 Frieghtliner check engine light on, fixed sensor.
 - 2018 Loader front right tire flat due to rust in rim and replaced rubber gasket too.
 - Getting ready for scrap steel run.
 - Washing and cleaning of equipment.
 - Disinfecting equipment and what was touched in the garage.
 - Employee Temperature Checks every day.
 - Cleaning garage.
 - Working on the Fire System in the Garage.
 - Getting ready for Hazardous waste run.
 - Harassment Training
 - Garbage out Thursday's mornings.
