Re: February 2021 Monthly Report

Current work from the middle of January to the middle of February:

- **Roads**
 - Removed snow off both sides of Main Street from West State Street headed south down Main Street to Spencer Street. Then from Spencer Street to East and West Spofford Avenue we removed snow off the state road curb face to curb face. To open the States, Catch Basins.
 - Plowing snow and salting all village roads during and after winter storm events.
 - Filling in potholes with cold patch as they open up in the village roads.
 - Contacting the NYSDOT about potholes on Main Street / Helmer Avenue and or any other issues on the state road thru the village.
 - Continuing removing snow off of village streets on a daily and weekly basis.
- **Storm Sewer**
 - Cleaning off village catch basin grates of snow & ice / sticks and garbage.
- **Sewer**
 - Normal weekly / monthly checks.
- **Center Park / Pavilion Grant / All Parks**
 - Removal of snow and salting Village sidewalks in the parks during and after winter storm events.
- **Signs**
 - A Village “No Parking Here to Corner” sign was knocked down by a vehicle at the intersection of East Spofford and South Main Street.

- **Water**
 - Fixed a water service that the National Grid damaged on February 1st 2021. Working with National Grid to get reimbursed for the damage. Also talking to them about the road cut on Helmer Avenue that National Grid is responsible for.
- **Greenway Trail**
 - Monitoring road entrances on both Spencer Street and West State Street.
- **WTP**
 - Removed snow away from Fire Hydrants
 - Salting the driveway in and out of the facility.
- **WWTP**
 - Removal of snow and salting during and after winter storm events.
 - Helped with cleaning and tving pipes inside the facility.
- **Village Hall**
 - Removal of snow and salting village sidewalks at the village hall during and after winter storm events.
- **Village Codes Officer**
 - Working on Fire protection, Smoke detectors and CO2 detectors in all Village buildings and facilities owned by the Village.
- **Village Engineer**
 - Working on getting reimbursed CHIPS money.
 - Working with FEMA on North Main Street and Fink Creek.
- **Old Library**
 - Removal of snow and salting village sidewalks at the old library during and after winter storm events.
- **Museum**
 - Removal of snow and salting village sidewalks at the museum during and after winter storm events.
- **Green Waste Pick Up**
 - Picking up Christmas Trees that are being brought out to the curb.
 - Residents can still call for trucks for green waste removal.
- **Hilltop**
 - Pushed back snow that we have collected from Village Streets and Village properties.

- **Garage**
 - Removal of snow and salting at the garage during and after winter storm events.
 - 2017 Backhoe had 500 hour service along with warranty work done with the ride control fixed and fittings and hoses replaced.
 - 1995 Kodiak plow truck the front leaf springs replaced along with changing all fluids and filters in the truck.
 - 2002 Bus we changed the oil, oil filter, air filter and fuel filter.
 - 2006 F350 we changed the oil and oil filter.
 - 2009 Freightliner we changed all the fluids and filters in the truck.
 - Washing and cleaning of equipment.
 - Disinfecting equipment and what was touched in the garage.
 - Employee Temperature Checks every day.
 - Cleaning garage.
 - Fire Extinguishers Inspected.
 - Working on the Fire System in the Garage.
