The Village of Dolgeville

**To: Village Board of Trustees
From: David Jaquay, DPW Superintendent
2024 Report**

Work

Current

- **Weekly Checks of Sewers**
- **Daily 811 Requests**
- **Checking Storm drains**
- **Continue cleaning Sewer Lines**
- **Weekly Metal Pick up**
- **Park Bench restoration**
- **Water Leaks throughout Village**
- **Plowing and salting as needed.**

Water/Sewer

- **State St- Checked sewer with camera. Sewer was replaced by homeowner, still water in line. Advised that water needed to be removed and haven't heard back.**
- **Checked sewers around the Village**
- **Repaired hydrant Bonet and replaced.**
- **Cleaned Filter**
- **Sewer back up- In Garage. It was relieved in house.**
- **Sewer back up at School- Kitchen line backed up; employees called back in as it was after work hours. Ran the line with the sewer jet and blockage was relieved.**
- **Tricot's fire Hydrant needs to be replaced- towards spring.**
- **Loaded Polymer for Amy**

Streets

- **Checking of storm drains for debris and snow removal on them.**
- **Took care of Parking lots and sidewalks at parks when we had snow.**
- **Pushed back road edges**
- **Met with Rawlings over lighting complaint**
- **Put back up fallen Military Banners**

Garage

- **"09" Freightliner- New Battery and Rust Control done.**
- **3500- No new issues**
- **12 Freightliner- No new issues**
- **Roller- fuel tank became dislodged, will need repair**
- **Loader- in the process of removing debris from summer use. Upgraded lighting to LED and Cutting edge put on.**
- **Leaf Picker- no new issues**
- **Sewer Jet- no new issues**
- **Skid Steer- tires replaced. Had tires in stock from old machine**
- **Excavator- will be serviced when time permits, bushings in the bucket will need to be replaced**
- **Monthly Fuel Tank Check and inspections**
- **Snowman-Still has body and frontend issues. Replaced water pump**
- **Back Hoe- no new issues**
- **Fuel tank Gauges- Buell stopped and started the process of installing- ongoing- still not complete- Again called and made contact- they assured me they were there and I sent pictures showing they were not. They will be**

looking into the best way to get the project done hopefully within the next month.

- Cable is still out, still an issue. Called Spectrum on multiple occasions. Apparently, cable at the garage was discontinued. It will need to be rectified by whoever deals with the cable.
- 60-inch Mower-no new issues
- Water cart- axle replaced, will be sourcing new tires.
- 71" mower- no new issues
- Garage cleaning it is a work in progress.
- Painting at Village Hall- the process has started; I am expecting to use this as fill-in work as we get further into winter- more paint on the way to continue soon.
- Workplace Violence Training Completed
- Worked on Quotes for Gutters at Village Hall.
- Shared services with Manheim- Borrowed the woodchipper
- Shared Services Middleville-Manpower and Truck.

Parks

- Greenway Trail- If snow doesn't come soon, I will be closing the trail. Did survey the trail for potential wet spots as the greenway trail was discussed for the Violet Festival 5k.
- Plowe Park-

- **Center Park- Hauled in millings to level and grade parking area and repair damaged portions of road in the area.**
- **Little League Field- Working on reconnecting power after tree work**
- **Beavers-Tricot- no new signs of beaver activity**
- **Helterline- Pulled the last 2 benches. They are in the process of disassembling and cleaning in preparation for paint.**

North Main St

- **121 and 123 Water disconnects and National Grid.**
- **Working on grade work on the creek side with removal of scrap metal.**
- **Aiding the asbestos abatement crew, (Leveling ground, moving dumpsters and getting water from hydrant and whatever else they need)**
- **Loader was sent to Salisbury to open up Upper Irondale Road so we can access our Mine and haul material to back fill foundations.**
- **2 one tons were used most of the day until the freightliner could be repaired.**

- **Barriers removed around 120 North Main St and ground leveled so excavator can easily work in the area.**
- **Keeping in contact with OSWA, updating them on requested items.**

To Do:

- **Update Water Books**
- **Continue to train new employees**
- **Keep trucks serviced and cleaned.**
- **Cleaning and Organizing Garage**
- **Burt St- Remove Vegetation**
- **Add Gutters to Village Hall**
