*The Village of*  
*Dodgeville*

**To: Village Board of Trustees**

**From: David Jaquay, DPW Superintendent**

**Date: 10/10/2021**

**Re: July 2021 Monthly Report**

**Current Work:**

- Weekly Green Waste Collection  
People are not following Green Waste Collection Policy. We are allowing piles to stay for a few weeks before we remove. We will be leaving notices upon removal.
- Weekly Checks of Sewers and Water Leaks  
1 Water leak this month at 112 S. Main-Faulty Gasket at the Incorporation was replaced as well as a new curb stop installed.
- Mowing & Weed eating of Village Parks & Trails as needed.
- Changing Garbage's at Parks Weekly.
- Daily 811 Requests
- Storm drain at Poplar St Repaired on 8/10/2021.
- Complaint on a Lamberson St Storm Drain has been coned and getting scheduled for repair.

## Water/Sewer

- Cut down Bank at Creek Line at Wastewater Plant and Delivered Trucks and Equipment as needed.
- Delivered 8" Pipe for Next Years Bypass for Water Reservoir.
- Leveling Pad for filter bags at Water for Next Year's Reservoir Cleaning.
- 1 Complaint from Helmer Ave (Sam Licari) We cleaned a plugged lateral and problem resolved.
- New Water Service Setup at 115 Spencer St.

## Streets

- Cutting back sidewalks and Road edges.
- Sign complaint on Spencer St & Stewart St- Will call State to have Replaced.
- Mowing Roadsides
- Main Street Weed problem addressed.
- Per Homeowner request we pulled sidewalk at 16 Cline St for Sidewalk replacement.
- 134 S. Main St-Ditching work. (a lot of material removed from ditch)
- Ditched on Helmer Ave-Removed Sod in ditch line to help water run.
- Ditched on tracks between Spencer and Main St. We removed a lot of standing water towards Spencer St. It needs to be partially filled in and graded.

## Garage

- Moved gas pump nozzle to corner of Garage for Safety. In the Winter it was dangerous for anyone to fuel due to falling ice.
- Started Rust Control on the 2009 Freightliner. Salt Spinner Rust Removed and Treated.
- Work is Continuing on 2012 Freightliner for Initial setup. The front tires were installed.
- F350 Was running poorly. We replaced all 4 "O2 Sensors", it was Greased, had an oil change, and still has a Fuel Delivery Issue "Low Idle".
- Army Truck- Exhaust was Repaired. It needs a new exhaust System.
- Kodiak- Plow lights need to be removed to put on new truck. All other items of use have been removed and the Truck is ready for sale.
- 8500- All items of use have been removed and truck is ready for sale.
- Bobcat- Pulled information on an S76. Also, have trade in information for Current Bobcat. I would like to discuss "CHIPS" Purchase.
- Office- Still being Organized & Filed but progress is being made. I will need a few filings storage boxes for previous years files.
- Fox Kits appear to have gone.

## Parks

- Moved the "Little Library" to Dodge Park right by the sidewalk which is secure and easily accessible.
- Working on Keys for Tammy for all the Parks.

- Pulled down Trees in Center Park. We are still waiting for Rick Barnes for Tree Removal in Plowe Park.
- Pressure Washed the Gazebo and removed old traction bars on floor and replaced. I am looking into some form of paint for wood preservation of ramp.
- Pressure Washed Benches and Concrete at Plowe Park.
- Hauled Material to Baker St to fill in low areas.
- Mowed Hillsides at Center Park and Baker St.

## To Do

- I am interested in taking an Excavation and 811 Course for myself and Don Dodson on September 1<sup>st</sup> or 2<sup>nd</sup> in Saratoga. Please Advise.
- Schedule Manhole Inspections
- Schedule Fire Hydrant Flushes
- Time Permitting, we plan on Pressure washing Parks, sidewalks, Benches and Pavers on Main Street.
- Remove Corrosion on Tables and Benches and paint.
- Street Sign Replacement (Signs are faded and new Police Officers cannot read them). A discussion is requested with the Board Regarding.
- Flags in Parks to be inspected and replaced as needed.
- Cold patching
- Ditching

- Repair Lamberson St Catch Basin
- Update Water Books
- Paint Crosswalks for School before September
- 1 man to Oppenheim for an extended period of paving. 621 G Loader is starting Monday in Oppenheim loading Crusher Run.
