- Filled pothole at GPO parking lot
- Leaf pick up has started

Garage

- "09" Freightliner- changed oil, greased chassis, removed front bumper and installed the head unit and head plow.
- 550 – Will need new tires before winter
- F350- leaf box installed and is set for leaf duty
- 3500- no new issues
- 12 Freightliner- oil change, fuel filters and head plow are attached
- Roller- oil change, tune up, fuel tank became dislodged, will need repair
- Loader- no new issues
- Leaf Picker- new radiator installed. Currently has a bad alternator, it over charged the battery causing the death of the battery. Battery has been replaced and we are sourcing an alternator.
- Sweeper- recommend eliminating this unit.
- Sewer Jet- no new issues
- Skid Steer- No new issues
- Excavator- No new issues
- Monthly Fuel Tank Check and inspections
- Snowman- need to discuss this unit.

- **Back Hoe- Minor air leaks in the front tires. We are keeping an eye on it and adding air. When time permits, we will break the tires down and reseal.**
- **Fuel tank Gauges- Buell stopped and started the process of installing- ongoing- still not complete**
- **Phone line installed as of 9/14/23. New problems have arisen. Alarm system is online. WIFI issues has been addressed with new router. Cable is still out, that needs to be addressed in the office and I have requested this.**
- **Mshaw training was today.**
- **60-inch Mower-no new issues**
- **Water cart- repairing axle and sources bushings for the wheels over the winter season and taken out of service for Winter.**
- **71" mower- had a drive seal leak, was sent to Charley Shahl for service. Seals on both sides were replaced with an upgraded seal as this is a known problem with the huskavarnas.**
- **Shared services with Salisbury and Oppenheim for road work.**
- **Shared services with Stratford for Road work as well.**
- **Manheim has requested and used several pieces of equipment.**
- **Still in the process of cleaning the garage.**
- **Cleaning up and reorganizing the salt shed area.**

- **Equipment removed from the alley way to the back of the property. Vegetation removed. Millings laid down, relandscaped to try to redirect water flow from the building. Most of the scrap has been removed.**

Parks

- **Greenway Trail-mowed and will need to fix some wet spots in the trail**
- **Plowe Park- Mowing, replaced US flag**
- **Center Park- Mowed weekly. Removed debris and vegetation from the ditch area. Pushed off dirt that had been dumped there. Mowed hillside**
- **Little League Field- mowed weekly**
- **Beavers-Tricot- no new signs of beaver activity**

To Do:

- **Update Water Books**
