Re: September 2021 Monthly Report

Current Work:

- Weekly Green Waste Collection  
Most People are following the Green Waste Collection Policy. We started leaf pick up along with our Green Waste Collection.
- Weekly Checks of Sewers and Water Leaks
- Mowing & Weed eating of Village Parks & Trails as needed.
- Changing Garbage's at Parks Weekly.
- Daily 811 Requests
- Checking Storm drains after Rain events

## Water/Sewer

- Installed 8-inch pipe at Water Plant for Bypass.
- Sewer Complaint (Faville Ave)- Plugged Sewer, took 3 days to clear, post clearing camera was done, offset joint found-Sewer is running and no need to dig up Street at this time.
- Cleaned Filters at Water Treatment Plant
- Sewer Complaint (Howard St Ext), Bag/Camera, Told Homeowner they needed a plumber due to Grease Plug. Went back and Jetted the Lateral- Problem seems to be resolved.

## Streets

- Raised Manhole Covers on Spencer St and Cold patched them.
- Complaint from Bus Driver Tree branch hitting bus on VanBuren St-Tree Branch timed.
- PD called in tree down-Found treetop hung in another tree over a bus route- taken care of.
- Cut back more Sidewalks
- Paved Spofford Ave
- Gas Line Inspection for Old Library
- Call in from PD

## Garage

- 12-Freightliner- Installed bearings for Salter and headlights. Rust control of Wheel is complete and Tires from other Truck are installed.

- Street Sign Inventory done on signs we propose to replace.
- "09" Freightliner- We are in the process of doing Rust Control on.
- Leaf Picker- Installed Baring on the Swivel and new pins installed.
- F350 has been converted to Leaf Duty
- We have been painting and doing General Maintenance around the Garage- Weather Permitting.
- Bobcat broke down several times this past month.

## Village Hall

- Porch has a new coat of paint.

## Parks

- Waiting for Rick Barnes to cut Trees in Plowe Park.
- Plowe Park- Work is progressing on the Main St Arch.
- Called and set a work order to have Meter Pulled on Center Park Pavilion.

## To Do

- We will be taking "Workplace Violence" Course.
- Schedule Manhole Inspections
- Time Permitting, we plan on Pressure washing Parks, sidewalks, Benches and Pavers on Main Street. As well Benches at Village Hall.
- Remove Corrosion on Tables and Benches and paint.

- Street Sign Replacement (Signs are faded and new Police Officers cannot read them). A discussion is requested with the Board Regarding quotes acquired.
- Flags in Parks to be inspected and replaced as needed.
- Cold patching
- Update Water Books
- CHIPS- Have approval from State for Bobcat and 1 Ton Dump Truck.
- Service Plows
- Finish cutting back sidewalks
- Discuss Portable Laptop and USB for Reports and work done at home.
- Hydrant Markers- Put in place
