- **Finding and raising found manholes**
- **Park Bench restoration**
- **Ditching**
- **Water Leaks throughout Village**

Water/Sewer

- Sewer Jetted Cline St- complaint (nothing found).
- Worked on missing Manholes.
- Delivered siding to Neil.
- Located water service on Brockett Rd. Put dig request in. Water Curb box replaced.
- Removed tree from Beaver Brook.
- Water turn on for 126 North Main St "for testing".
- Fixed Road cuts on Spencer and Elm Streets "Water Repairs"

Streets

- Green waste going well with trucks being dropped off to residents.
- Update: Still Monitoring (Investigate sink hole on Baker St- Cut and explored hole, filled in).
- We milled the rebates on Mutchler Hill.
- Met with Parkside "Cut off pole in ground"- They had questions about signage due to hitting with mower. Will be put on list for removal.
- Paving- Mutchler, Winton Lane, Gibson, McKinnley, Horn, Cavelli, Snell and Green Streets.
- Reset Driveways for any that remained low after paving.

- We loaned the Roller to Manheim and has since returned.
- Worked with Nelson on "Tree Removal" hauling to Hilltop.
- Cold Patching throughout Village.
- Shoulder work on McKinnley Ave, Green St and Snell St.
- Parade for Anna Musella's 100th Birthday- The Department was Honored to Participate.
- Took down flags and flowers. Buckets brought back to Annutto's.

Garage

- 09 Freightliner- Nothing new to discuss
- 550 – Nothing new to Discuss
- F350- set up for leaf picking. Leaf picker box has been modified to fit the truck better. Standing by for leaf season. Replaced the Universal.
- 12 Freightliner- Multiple air leaks were fixed. New holders for an air tank. Had to order air tank due to breaking. Installed lights.
- Greg has been practicing Pre-trips and driving skills. Road test set for next week.
- Sweeper- Throttle functions are still very sticky. Main Engine (Chassis) runs rough. Gutter Broom doesn't deploy or retract on its own. We are using onboard Winch to deploy and retract.

- Sewer Jet line will need to be replaced. I am still researching Options.
- Skid Steer- Nothing new to report
- Garage Lift- Removed the Rams. Sent to Marcy Hydraulics to be checked. Machine work is necessary to rebuild. Also researching new Ram pricing.
- Monthly Fuel Tank Check
- Garage Roof- has been awarded and waiting for supplies to start arriving.
- Heater in Breakroom still broken- **“Will need to be replaced by Winter”**.
- Snowman- Replaced the Batteries and replacing 1 of the 2 Alternators. Repaired broken hinge on the dump body.
- Checked on Dig safe Conference- It is out of the area for the next 2 years.
- Attended Superintendents BBQ

Parks

- Park Bench Rehab is still in the works.
- Mowing of Parks
- Worked on Greenway Trail- Waiting on the rest of the Bridge repair. We will then cover with Millings.
- Gray Building Center Park. Water Fountain leaks. Appears to have started on its own.

**We turned it off and will fix in the spring.
Removed the tables due to garbage
problems.**

- **Helterline Park- Removed Garbage from park
due to tenants using as their personal
garbage.**

To Do:

- **Update Water Books**
- **Continue to train new employees- Need to
discuss in Executive Session.**
- **Keep trucks serviced and cleaned.**
- **Cleaning and Organizing Garage**
- **"09" Freightliner- Rust Control.**
- **Removal of sediment at Reservoir to create
room for next year.**
