

# Village of Dolgeville Engineer's Monthly Update

November 2020

## Current Open Projects

### DEC Mohawk River Watershed Grants – Round 5

- The Village was officially awarded \$100,000 for this planning project associated with the North Main Street area.

### Road Cut Permit

- Assisted the Village with developing a Road Cut Permit Application and Form which was adopted at a Special Meeting earlier this month.

### Main Street Sanitary Sewer Emergency Work

- Currently working with the USDA and GHD to start the process of obtaining grant funds from the USDA to assist with the work.
- Projects are listed on the EFC's Intended Use Plan (IUP) for the upcoming year.

### Halloween Flood Event (FEMA)

- Draft engineering reports have been received by the Village (and submitted) for all open FEMA projects.

### Halloween Flood Event (404 Mitigation Program)

- Responses to the Letters Of Interest (LOI) submitted for the 404 Mitigation Program should be back to the Village by the end of the year. Letters were submitted on September 28<sup>th</sup>, 2020.

### Fulton County Hazard Mitigation Planning

- Currently waiting on responses from the County's Planner regarding some of their additional needs on the report.

### North Hudson Area Odor Issues

- Worked with the Amy Mowers to identify some interim strategies to mitigate odor in the area. A proposal for sampling equipment was sent to the Board earlier this month.

### Water Meters

- Next step in the process requires Board action to approve the procurement of water meters for set classes of non-residential water users.

### Beaver Brook Flood Study

- Beaver Brook and Fink Creek floodplain revisions will be incorporated into one application to FEMA as the work on Fink Creek progresses.
- A draft letter to FEMA has been prepared outlining technical issues with their floodplain analysis in response to their open comment period.

### Route 29A Water Line Project

- DASNY reimbursement paperwork / communications continuing.

### Energy Performance Contracting / NYPA

- I am following up with NYPA re: their Master Cost Recovery Agreement (MCRA).
- The Village has not yet received or signed the agreement.

### NYS Parks Grant

- 90% Construction Documents have been delivered to the Village and I have returned comments to Saratoga Associates.

- The Village has executed the agreement for the project w/ NYS Parks and the project is now awaiting approval from the State.

### NYSDOH Disinfection Byproducts

- Delivered a detailed PILOT system letter to NYSDOH prior to the April 30, 2020 deadline per their requirement.
- NYSDOH contacted the Village to acknowledge their acceptance and that they are currently reviewing the proposal.
- No response from NYSDOH has been received to date.

## General

- Update procurement limits.

## DPW Project List

- Repair / replacement of 4 major creek culverts throughout Village
- Vehicle acquisition / replacement
- Co-funding sources for Main Street Paving / ADA Compliance Project

## WTP Project List

- Siding @ rear of WTP – Neal has received some pricing for materials (2/2020).
- Replacement of doors to filter beds

## WWTP / Collection System Project List

- Phosphorous Removal Limits Changing, 1.0 (EPG)
- UV System (EPG)
- EPG for study of remaining system in 2021.
- Incorporate 2019 Video/Condition Assessment Into GIS / HOCCPP System

## Water Distribution System List

- Grant Funded Study in 2021/22.
